

Future Skills - Schlüsselkompetenzen für Nachhaltigkeit und digitale Transformation

Prof. Dr. Thorsten Kliewe & Angela Hernandez

TRAINING THE FUTURE LEADERS IN ENVIRONMENTAL, SOCIAL, AND GOVERNANCE PRACTICES. JOIN US IN FOSTERING A SUSTAINABLE ECONOMY FOR RURAL SMEs.

ESG4SMEs is focused on helping rural SMEs transition to a sustainable economy by developing the role of an ESG Manager. The project will create a job offer, curriculum, and training for the ESG Manager in Rural SMEs, supporting professional development and enhancing skills for VET learners.

Project No: 2023-1-DE02-KA220-VET-000156776
